## STAINLESS STEEL WARRANTY POLICY

Vortox Air Technology, Inc. hereby makes the following warranty for stainless steel air cleaners, inlet caps, and band brackets, subject to the following limitations:

1. Stainless steel items are warranted for a period of one (1) year or 100,000 miles, whichever shall occur first, after it is placed in service recommended normal use, application and service.
2. The bright buffed finish (when provided by Vortox Air Technology, Inc.) is warranted for one year or 100,000 miles, whichever occurs first, after it is placed in service, against discoloration or loss of luster due to faulty material.

Vortox Air Technology Inc. will not be responsible for any failure in the bright buffed finish caused by external means, (which include but are not limited to: improper handling, maintenance, sand storms, rusting due to electrolysis (caused by improper grounding of accessorial lights, etc.) or weld spatter, or the use of abrasive polishes and detergents).

3. Any Vortox Air Technology, Inc. stainless steel item found to be defective within one year or 100,000 miles, whichever occurs first, after it is placed in service will be replaced upon receipt of the defective item (accompanied by a written report covering said defect) or a credit for the purchase price of said item will be issued. Credits are to be used toward future purchases of Vortox Air Technology, Inc. products unless otherwise agreed by Vortox Air Technology, Inc.
